Principal's News

Dear Parents,

It never ceases to amaze me how fantastic Rawlinson Primary School is and we have again started the year with an amazing positive feeling.

This feeling was highlighted in a 2025 Christmas Card I received from a family who had a student graduating into High School after seven years at RPS.

It read,

Thank you for your patience and support throughout the Primary School years.

You have truly created a culture that is admired by all parents.

We will miss you, all the teachers and staff.

Merry Christmas.

This culture has been created over many years, emphasising our values through our PBS program, respect, responsible and ready. Acknowledging the many positive behaviours that our students have through the distribution of Rawlies, visiting the principal for a certificate when they reach multiples of 100, class and whole school acknowledgement days when we get to our Rawlie target.

Our whole school Rawlie target this term is 30 000 and to parents at home this represents 30 000 times your children have been respectful, responsible and ready for school and 30 000 times the staff have told them they are behaving superbly. It is the power of positivity.

This does not mean we do not have rules, and we are firm in maintaining these with consequences that are appropriate, but overwhelmingly our philosophy is to make school fun. When this happens students want to engage, they want to be at school and they want to learn.

Topping this off we announced our Student Councillors for 2026 at our last assembly. Ten students elected by their peers were selected to represent our school.

They are

- Andrej Bogdanoski - School Captain
- Terry Williams - School Captain
- Joury Ismail
- Nala Vo
- Ana Mohamad Zaki
- Hannah Wu
- Killian Pilkington
- Abdulkarim Al-Ghazzi
- Bawi Kuihon
- Jensen Baker

We had 23 students nominate, prepare and present speeches. They did a magnificent job and need to be congratulated for the efforts.

Parent – Meet and Greet. Wednesday, February 18th in the school staff room. Look forward to seeing as many parents as can come along.

Kind regards
Darryl Dedman

Health Tips : Healthy Eating

Ten Tips For Parents

Healthy eating is important for your child's growth. As parents, you shape their eating habits.

Here are ten simple tips to help your child eat healthy:

- Give your child a variety of different foods.
- Offer nutritious snacks such as fruit, yoghurt, crackers, and cheese.
- Encourage your child to eat breakfast.
- Ensure that the family eats together at least once a day.
- Pack your child's lunch at home. Let your child help.
- If your child refuses a new food, don't make a fuss. Try again several times.
- Listen when your child tells you they are full.
- When your child is thirsty, encourage them to drink water.
- Allow your children to help with planning and preparing healthy meals.
- Plan physical activities for your family. Keep a balance between the food eaten and energy needs.
