School Contributions

SCHOOL CONTRIBUTIONS

PARENTS, WE NEED YOUR HELP!

Whilst we know that school contributions are voluntary, we really appreciate those parents who pay.

This money assists the school in purchasing digital learning resources – Laptops, iPad's, E Boards etc.

The P&C contributions also benefit the school by funding the replacement of student desks, the addition of a new scooter rack, and contributing to the development of the Wagal Native Garden.

YOUR SUPPORT

Every contribution, no matter the amount, helps make a big difference for our students and school.

SCHOOL CONTRIBUTIONS

1 Child **\$45.00**

2 Children **\$65.00**

3 or More Children **\$70.00**

P & C Contribution per Family **\$20.00**

Please make these payments to the School Office by cash or alternatively pay via **Qkr! App** as soon as possible.

PAYMENTS RECEIVED TO DATE ARE AT

Thank you to everyone who has contributed!

A big thank you to those parents who have already paid.

Uniform Policy

Rawlinson Primary School Uniform Policy

Rationale

The Rawlinson Primary School uniform helps create a sense of unity, belonging and pride across the school community. It supports an inclusive environment by providing a consistent standard of dress for all students and encourages students to present themselves in a neat and respectful manner.

The uniform also plays an important role in student safety and supervision, it allows students to be easily recognised while at school, on excursions, and when travelling to and from school. All students are expected to wear the full school uniform in a way that reflects positively on themselves and Rawlinson Primary School.

Aims

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school community.

Implementation

- It is expected that the school uniform is correctly worn at all times as outlined in the Rawlinson Primary School Uniform appendix.
- Students should wear short sleeved polo shirt (RPS logo), or faction T shirt, navy shorts/pants/skirt or school dress, Rawlinson School jacket (preferred) or plain navy jumper and enclosed shoes as described in the attached Appendix for sport days.
- At Rawlinson Primary School, a Sun Smart approved hat is recommended as part of the school uniform. Hats must be worn whilst outdoors all year round.
- For health and safety reasons:
 - It is recommended that single stud or sleeper earrings and wristwatches are the acceptable forms of jewellery.
 - Long hair (shoulder length and longer), must be tied back for students of all genders.
- Parents/Carers seeking exemptions to the school's uniform requirements due to religious beliefs, cultural background, student disability, must apply in writing to the school's Principal with supporting evidence.
- All uniform items should be clearly named. If unnamed items are left in the lost property for over two weeks they will become property of the School's second-hand store.
- School uniform requirements and prices are available through Uniform Concepts:
5/7 Delage St, Joondalup WA 6027
Website - <https://uniformconcepts.au/>
- Second hand uniforms are often available to purchase, Parents/Carers should speak to the School Office.
- Students wearing non-uniform items such as jeans or jumpers/hoodies displaying logos or motifs, will be asked to remove these items and a loan uniform will be provided for the day. The Principal will communicate with the parents/carers our uniform policy.

Spotlight on Literacy

Our Year 4 students have been diving into the wonderfully wacky world of Charlie and the Chocolate Factory by Roald Dahl. Each week, they have taken turns reading aloud to the class, building confidence, fluency and expression. They have also summarised each chapter and identified the most important events. Of course, no reading adventure is complete without discovering some fabulous new words! Our students have explored vocabulary from the text, completed comprehension activities, and created colourful illustrations inspired by the story.

Students watched the movie and discussed what was the same, what was different, and how characters, settings and events were brought to life on screen. The students then created their very own Golden Tickets!

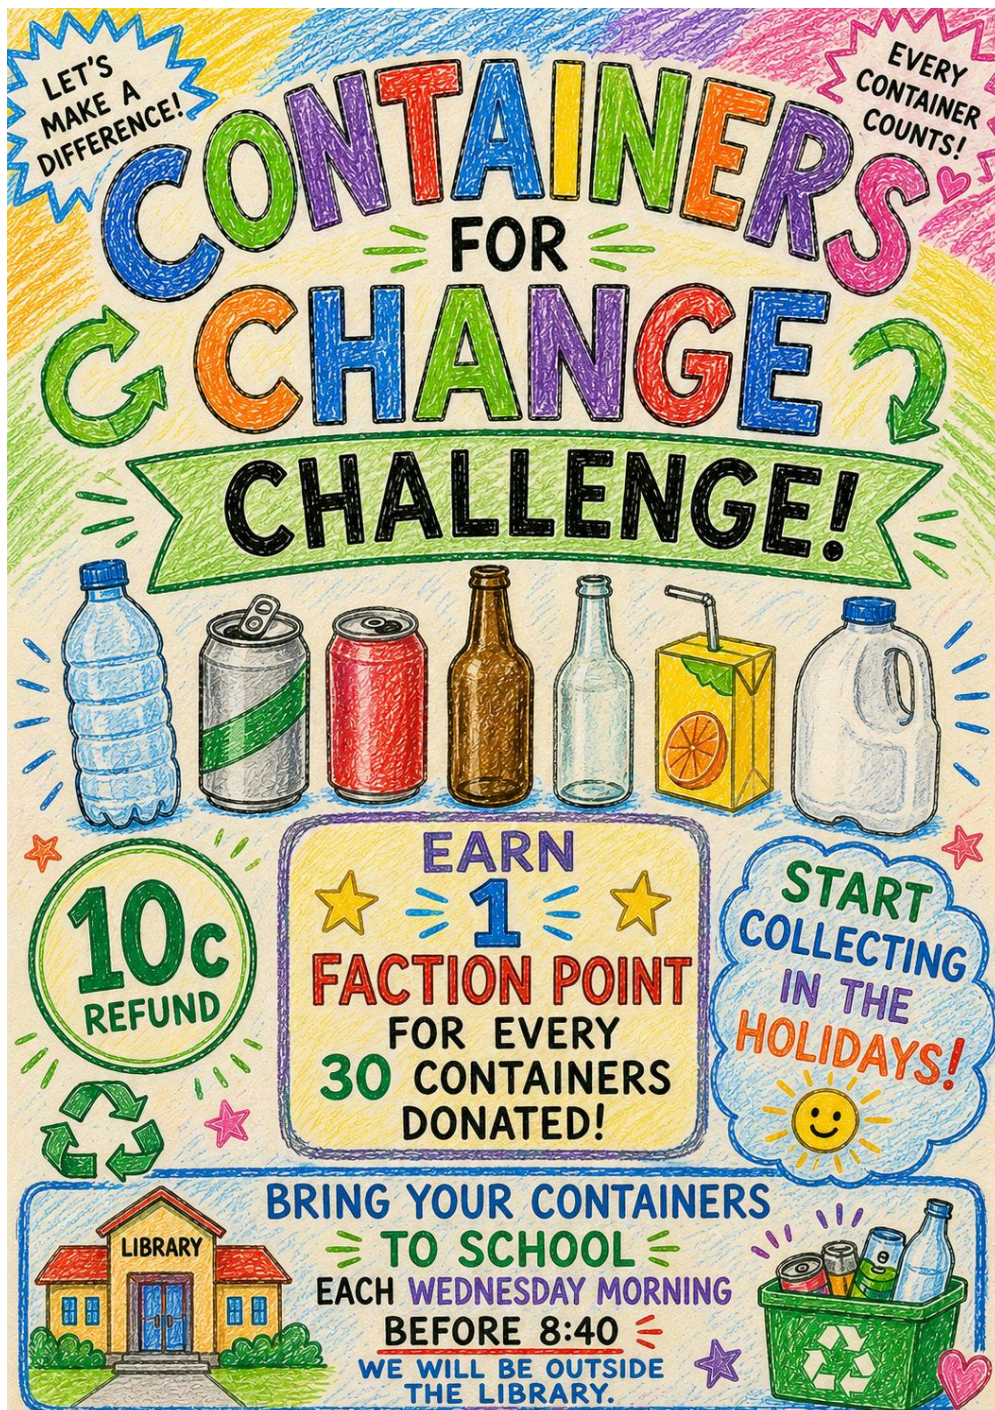

Eco Warriors

Each Wednesday until week 5, the Eco Warriors will be setting up the Containers for Change Challenge collection station outside the library.

Collect your 10 cent containers and bring them to school every Wednesday and help raise money for the P&C.

Wednesday of week 5 will be our last week.

Will your faction win a delicious sausage sizzle?

Student Work on Display

Students from **K2** will have their work displayed Week 3 & 4 of Term 4.

Please visit the Office to admire the work that is on display.

Health Tips : Screen Time

Screen time can aid learning and creativity, but excessive use can harm children's physical health and development.

Children aged 5-17 should not spend more than 2 hours per day on a screen for inactive fun activities outside of schoolwork. For children aged 2-5, no more than an hour a day is advised. This includes the time spent watching TV and using computers, gaming consoles, smart toys, tablets, and smartphones, all of which contribute heavily to sedentary behaviour.

When balanced with other activities like physical play, reading, socializing, and adequate sleep, screen time can be part of a healthy lifestyle. To help your child to have a healthy and balanced approach to screen time, consider setting family rules around screen time and being a role model by limiting your own screen time.

Free online workshops for parents Term 4, 2026

Who is running the workshops?

School Psychologist Consultants from the Department of Education WA.

What are the workshops about?

We are offering free, live online workshops to help parents and carers support their children. Most workshops are part of the **Triple P – Positive Parenting Program**, which gives simple ideas to help children learn skills, behave well, and feel confident. Some workshops may focus on other topics to support families.

Who can join?

All parents and carers are welcome. The workshops are free and online.

How do I join a workshop?

Scan the QR code or [click here](#) to register. You will receive a confirmation email with a Webex link and reminder before the session.

Note: Webinars are live and not recorded. For the best experience, we recommend downloading the [Webex app](#) before the session.

Want to learn more?

You can register for a range of free face-to-face, live online, or self-paced parenting programs via the [Department of Education WA](#) website: <https://www.education.wa.edu.au/triple-p>.

Child and Parent Centres also support families across WA with early learning programs, health services, and family support. Visit the [Child and Parent Centres WA](#) website to find a centre near you: <https://childandparentcentres.wa.edu.au>.
