

Dear Parents/Guardians

Schedule of Voluntary Contributions and Charges for 2027

The School Council has approved the Schedule of Voluntary Contributions and Charges for 2027. The School Council is made up of the Principal, parents, staff representatives and community representatives.

VOLUNTARY CONTRIBUTIONS

For 2027, the Voluntary Contribution has been set at \$45.00 for 1 child, \$65.00 for families with 2 children or \$70.00 for families with 3 or more children.

Money collected will be used to supplement school expenditure in the curriculum learning areas listed below. School contributions are voluntary, the quality of our teaching and learning programs will be maximised when each family makes their voluntary contribution. This contribution will supplement funding gained from other sources including the State and Commonwealth Governments.

The preferred method of payment is Qkr! Alternatively, payment by correct cash may be made through the school office.

CHARGES

Our charges schedule shows the costs associated with special programs, excursions and other optional activities. Please note that these charges are indicative only and have been drawn from the 2025 payment schedule. Students can only participate if they have parental permission and have paid the related charge. Payment of charges is not required until requested near the date. Please note that the school must pay the full cost for the number of students booked on excursions and buses regardless of whether your child is taken out of school for that day.

ITEMS FOR PERSONAL USE IN THE EDUCATIONAL PROGRAM

The charge for personal use items will vary from student to student and includes :

- . Student Requirements for all students and used in lessons - eg stationery items, calculator, etc.
- . Student Requirements recommended – eg tissues etc.
- . Student Requirements for selected students and not directly part of the educational program – eg Graduation Shirt, Graduation Bear, Student photographs, etc.

The recommended personal items stationery list for your child has been distributed. We have negotiated competitive prices for the materials on the list, but you are not obliged to use our supplier. Your child will need to have the listed materials each school day, so it may be necessary to replace some items such as pencils throughout the year.
