IMPORTANT
STUDENT ENROLMENTS FOR 2027

As part of our planning and Department of Education requirements for 2027, we need to confirm how many students will be attending Rawlinson Primary School next year.

This information is important as it helps us plan our year level configurations and determine class sizes for 2027.

If your child/children are currently in Kindergarten to Year 5 and will DEFINITELY NOT be returning to Rawlinson Primary School in 2027, could you please notify the Office as soon as possible.

If your child/children will be returning, no further action is required.

Thank you for your assistance!

Campion Education : Resource List

2027 SCHOOL RESOURCE ORDERS – IMPORTANT INFORMATION
Ordering Deadline: Friday 20 November 2026

Families are reminded to place their 2027 school resource orders through Campion Education before **Friday 20 November 2026** to take advantage of the lower, on-time delivery fee.
Orders placed after this date will incur an additional late delivery fee.
Campion processes orders placed before the deadline in large batches, allowing for more efficient packing and delivery. Once the deadline has passed, orders must be processed individually, resulting in additional handling and labour costs.

NEW! PayPal Pay in 4 Now Available

Campion Education has introduced **PayPal Pay in 4** as an additional payment option for families ordering their 2027 school resources online.
This option allows families to spread the cost of their order over six weeks through four equal, interest-free fortnightly payments.

How does it work?

- Select PayPal Pay in 4 at the final checkout stage.
- Pay the first instalment at checkout.
- Pay the remaining three instalments every fortnight.

Key features:

- Four interest-free payments over six weeks.
- No interest or late fees.
- Available for orders between $30 and $2,000.
- Free to create a PayPal account.

For example, a $240 order can be paid in four instalments of $60.
Please note that PayPal Pay in 4 is available for online orders only and cannot currently be used for in-store purchases.

How to Order

All 2027 school resource orders can be placed online through Campion Education:
www.order.campion.com.au
We encourage all families to place their orders before **Friday 20 November 2026** to avoid the additional late delivery fee and help ensure resources are ready for the start of the 2027 school year.

Please click on the following link to access the
2027 Booklists for students in Kindergarten to Year 6.

Please note orders need to be completed by
Friday 20th November 2026 to avoid a late fee.

Friendship & Belonging

RAWLINSON PRIMARY SCHOOL / STUDENT WELLBEING

Play, Connect & Belong!

A wonderful week of friendship and fun!

Our Faction Leaders helped set up the play spaces, while Luna, Di and Susan guided and supported students to play, participate and build connections.

A resounding success!

Thank you to our P&C for supporting this initiative and helping create more opportunities to belong.

Let's Grow Grant
Growing a Greener Rawlinson!

We are excited to share that Rawlinson Primary School has been successful in receiving a **$2,500 Let's Grow Grant!**

The grant will be used to purchase and plant 10 new trees along the edge of the oval behind C Block. The Let's Grow Grant program supports the creation of tree canopy in local Perth environments, helping to make our communities greener and more enjoyable.

This is a wonderful opportunity to beautify our school, provide much-needed shade and create a more pleasant environment for everyone. Once established, the trees will provide a lovely shady pathway for our school community and members of the public to enjoy as they walk alongside the oval.

We look forward to watching our new trees grow and seeing the difference they make to our school grounds!

Health Tips : Drinks
What should children drink

Water is the best drink for your child. It keeps them healthy, hydrated, and helps with focus throughout the day. Encourage your child to drink plain water every day.

How much fluid do kids need daily?

- 4 to 8 years: 1200 ml (about 4 cups)
- 9 to 13 years:
  - boys-1600 ml (about 6 cups)
  - girls- 1400 ml (about 5 to 6 cups)
- 14 to 18 years:
  - boys- 1900 ml (about 7 to 8 cups)
  - girls- 1600 ml (about 6 cups)

What about milk?

Plain milk is a great source of calcium to support your child's growing bones and teeth. Choose plain over flavoured milk to avoid added sugar.

Drinks to limit and avoid

Try to avoid sugary drinks such as soft drinks, sports drinks, energy drinks, vitamin waters, cordials, and fruit juices. These can lead to weight gain and tooth decay.

Energy drinks may also contain caffeine, which is not suitable for children.
